# SCEI Presentation

15<sup>th</sup> PSC Steering Committee Meeting

30<sup>th</sup> – 31<sup>st</sup> May 2018

Luxembourg

# Expert Group Members

---

1. Austria
2. India
3. Norway
4. USA
5. Brazil
6. Spain
7. Tunisia
8. Chile
9. South Africa

# Definition

Emerging issues are external developments that will fundamentally:

- impact the audit practice in the future, or
- affect the reputation of SAIs/INTOSAI

# Examples

- IT, e.g. big data, internal controls, need for data scientists
- International corruption
- Migrant crisis
- Climate change
- SDGs

# Terms of Reference

Stages	Activity	Responsibilities
Identification of Issues	Voluntary Scans	Ad hoc based on when the information is provided.
	Structured Environmental Scans	Organs of INTOSAI through their meeting schedules.
Analysis of Issues	Classify emerging issues into: <ol style="list-style-type: none"> <li>1. Immediate response</li> <li>2. Strategic foresight</li> <li>3. Advocacy opportunity</li> </ol> <p>(these responses also to be classified into global, regional or SAI level)</p>	Expert group meet quarterly to (or sooner if deemed immediate by the Chair or Secretary General) propose a category for the emerging issues.
	Responses to issues	Immediate response
	Strategic Response	To be brought to the attention of the GB and any other relevant stakeholders through the Annual Submission of the SCEI to the GB.
	Outreach opportunities	To prepare key publications for outreach opportunities as determined and prepared by the expert group and approved by the SCEI membership and submitted to the GB for approval as part of the annual GB submission.

ToR May 2018

# Circulation of Templates through KSC Portal

- <http://intosaicommunity.net>

The screenshot shows the INTOSAI Community Portal website. The header is dark blue with the INTOSAI logo and navigation links: Home, KSC, IDI, and Communities of Practice. A search bar, LOGIN button, and LANGUAGE dropdown are also present. The main content area is divided into two columns. The left column features a large image of five people in a circle, with the text 'INTOSAI COMMUNITY PORTAL' and a paragraph about the community's move to electronic communications, followed by a 'Read More' button. The right column has a yellow background with the heading 'ABOUT KSC' and a paragraph describing the committee's formation and goals, also followed by a 'Read More' button. At the bottom, there is a large group photo of people and a section titled 'Supreme Audit Institution Leadership and Stakeholder Meeting - Audit of Preparedness for Implementat' with a date of '20-21 July, 2017' and navigation arrows.

## ABOUT KSC

Knowledge Sharing and Knowledge Services Committee (KSC) is one of the four goal committees of INTOSAI. KSC was formed after the 18th INTOSAI Congress held in Budapest in 2004, wherein a strategic goal was adopted under the Strategic Plan 2005-2010 to encourage SAI cooperation, collaboration, and continuous improvement through knowledge sharing, including providing benchmarks, conducting best practice studies, and performing research on issues of mutual interest and concern. To achieve this strategic goal, KSC was constituted at XIX INTOSAI Congress held in Mexico City, Mexico in November 2007.

### Supreme Audit Institution Leadership and Stakeholder Meeting - Audit of Preparedness for Implementat

Date: 20-21 July, 2017

# Question

- How do we assess the value of the SCEI?
- Is there a possibility of positioning this Committee differently?

# Governing Board

- Function
- Developments
- Regions role

# Regions opportunity

- Are there any other opportunities for regions to influence / engage in the GB more effectively?
